

**PORT OF GRAYS HARBOR  
STATE ENVIRONMENTAL POLICY ACT  
DETERMINATION OF NONSIGNIFICANCE (DNS)**

Description of proposal: **Westport Marina Boat Basin Master Plan**

**The Port of Grays Harbor owns and operates the Westport Marina and owns several upland properties within the Westport Marina District. The Marina currently has moorage spaces for nearly 550 boats, including recreational boats and both charter and commercial fishing vessels. The Marina District contains a mix of uses, with industry in the southern portion of the district and tourist-oriented commercial uses in the northern part of the district.**

**The purpose of this master plan is to evaluate the adequacy of the Marina to meet existing and future demands of Marina users, evaluate the best uses of Port-owned properties in the Marina District, and address several needs identified by the Port over the last few years.**

**This plan provides a preliminary course of action for:**

- **Major replacement and realignment of boat basin floats**
- **Other Marina infrastructure improvements to the boat basin and Port-owned uplands that will enhance use of the facilities**

Proponent: **Port of Grays Harbor**
